*CLARK COUNTY IDAHO*

**RESOLUTION NO. 04-05**

**WHEREAS COUNTY WIDE EMERGENCY SERVICE 911 SERVICE** is important to the health and safety of the citizens of Clark County, and

**WHEREAS THE COST OF MAINTAINING AND OPERATING SUCH** a system, with the highly technical communications equipment which is required for efficient operation would increase the tax burden on the property tax payers of the county, and

**WHEREAS THE LEGISLATURE HAS PROVIDED FOR AN** alternative method of funding such a 911 emergency system; imposition of a telephone line user fee of not more than one dollar ($1.00) per month with the proceeds to be used exclusively to finance a county-wide 911 system, and

**WHEREAS THIS ALTERNATIVE MEANS OF FUNDING CAN** be authorized only by approval by 60% of the votes cast on the question,

**NOW THEREFORE** the Clark County Commissioners hereby resolve to place the following question on the General ballot for the November 2, 2004 election.

**QUESTION SUBMITTED:**

Shall the Board of County Commissioners of Clark County be authorized to institute a telephone access line user fee, including wireless and cellular lines, in an amount not greater than one dollar ($1.00) per month to be used to fund and finance the maintenance and operation of a 911 emergency communication system?
