

To whom it may concern,

February 13, 2004

I would at this time like to withdraw my name from the running for County Assessor. I have done a lot of soul searching the last few days and feel that the job is not what I need at this time. I am happy where I am at the Sheriff's office now. I would like to thank you for your time and the opportunity to be in the running for the position.

Thank you,

Patty Christenson
